05.04.2005: -

Heard Mr.V.K.Pandey, learned counsel for the petitioner and Mr.Prashant Mishra, learned Dy.A.G. for the State/respondent.

Since we do not intend to issue any direction to respondent No.2, the Chairman, Public Service Commission, State of Chhattisgarh, it is not necessary to issue notice to respondent No.2.

This is a Public Interest Litigation filed by the petitioner on behalf of about 5,000 students residing in the State of Chhattisgarh who are said to have Bachelor and Master Degree in Computer Science subject. The petitioner has stated that these students have made various representations before the respondents for inclusion of Computer Science as a subject in the Chhattisgarh Public Service Commission Examinations but as yet Computer Science subject has not been included as a subject in the preliminary examinations of the C.G. Public Service Commission.

The question as to whether Computer Science subject should be included as a subject in the preliminary examination of the C.G. Public Service Commission is to be decided by the C.G. Public Service Commission. It appears from the averments of the writ petition that on the request of the petitioner, the syllabus for Computer Science has been called for by the Commission but no decision as yet has been taken by the C.G. Public Service Commission on whether to include Computer
